## Oregon Department of Human Services

## Restraint and Involuntary Seclusion Report

Instructions: As required by Oregon Senate Bill 710, adopted during in the 2021 regular session, quarterly reports must be completed and submitted to the Children's Care Licensing Program (CCLP) regarding restraints and involuntary seclusions of children in care. Reports must also be posted on the Child Caring Agency's website, if applicable, and must be provided to any member of the public upon request.

Submit reports to cclp.licensing@dhsoha.state.or.us.

Agency Name	Integral Youth Services
Site or Program Name	Exodus House
Reporting time frame (indicate which	January 2023- March 2023
quarter in months and year).	
Total number of children served by	8
CCA during reporting time frame	
Total number of incidents involving	0
restraint.	
Total number of incidents involving	0
involuntary seclusion.	
The total number of incidents involving	0
restraint that resulted in reportable	
injuries.	
The total number of incidents involving	0
involuntary seclusion that resulted in	
reportable injuries.	
Total number of involuntary seclusions	0
in a locked room.	
Total number of rooms available for	0
use for involuntary seclusion.	
Description of the dimensions and	NA
design of the seclusion rooms.	
Total number of children in care	0
placed in restraint.	
Total number of children in care	0
placed in involuntary seclusion:	

## Restraint and Involuntary Seclusion Report

Total number of children in care who were placed in a restraint than three times during the reporting period.  Total number of children in care who were placed in involuntary seclusion more than three times during the reporting period.  A description of the steps the program has taken to decrease the use of restraint and involuntary seclusion.  Number of incidents in which an individual who placed a child in care in a restraint was not certified or trained in the use of the type of restraint used, including individuals whose certification or training was expired at the time of the restraint or seclusion.  Number of incidents in which an individual who placed a child in care in a restraint or involuntary seclusion was not certified or trained in the use of the type of restraint or involuntary seclusion used, including individuals whose certification or training was expired at the time of the restraint or involuntary seclusion used, including individuals whose certification or training was expired at the time of the restraint or seclusion.
