

Job Title: Crew Leader - Fire Fuels Mitigation

Full-time (40hrs./week)

We are seeking motivated and skilled individuals to fill the positions of Crew Leaders for our Fire Fuels Mitigation team. As a Crew Leader, you will be responsible for leading and instructing a team of 3-4 young adults in implementing fire fuels mitigation strategies in diverse natural and urban settings. This challenging and rewarding position requires hands-on work in fire fuels reduction, tool and equipment operation, hazard assessments, and mitigation planning.

Responsibilities:

Team Leadership and Instruction:

- Lead and guide a team of 3-4 employees in executing fire fuels mitigation strategies.
- Teach and foster teamwork to ensure efficient and safe completion of tasks.

Operational Excellence:

- Operate and maintain various tools and equipment used in fire fuels reduction, including chainsaws, brush chippers, and hand tools.
- Execute vegetation clearing, falling trees, and other mitigation techniques to create defensible space and firebreaks.

Hazard Assessment and Mitigation Planning:

- Assist in conducting hazard assessments and contribute to the development of effective mitigation plans.

Community Engagement:

- Participate in fire prevention and education programs for local communities.
- Foster positive relationships with community members and stakeholders.

Collaboration and Professional Development:

- Collaborate with experienced professionals and fellow program participants to share knowledge and develop practical skills.
- Actively engage in industry-specific training and stay informed about the latest trends and best practices.

Requirements:

- Valid driver's license with at least 3 years of driving experience.
- Clean background check.
- Ability to pass a drug test.
- Previous management experience preferred but not mandatory.

Qualifications:

- Strong leadership and communication skills.
- Ability to work in diverse and challenging environments.
- Physical fitness and endurance for outdoor work in varying conditions.
- Commitment to safety and adherence to established protocols.
- Work alongside youth in implementing educational experiences
